Jump

I get up and nothin' gets me down
You got it tough, well, I've seen the
toughest around
And I know, baby, just how you feel
You got to roll with the punches to
get to what's real

Ah, can't ya see me standin' here?
I got my ass against the record ma-
chine

I ain't the worst that you've seen

Ah, can't ya see what I mean?

I might as well jump, jump

Go ahead an' jump

I said jump

I might as well jump

You don't know

You don't know until you begin

Now can't ya see me standing here?

I got my ass against the record ma-
chine

I ain't the worst that you've seen

You don't know what I mean?

I might as well jump, jump

Go ahead and jump

I said jump, jump

Go ahead and jump

Come on babe

Jump on, jump on

Jump on, jump on

Jump on

Jump on

Jump on

Might as well jump, jump

Go ahead and jump, baby

I said jump, jump

Jump on, jump on

Get up and jump

I said jump, jump

I said jump, I said jump

Jump on, jump on

Jump on, jump on

Come on babe, I said jump

Miscellaneous

Stayin' Alive

Well, you can tell by the way I use my walk,

I'm a woman's man: no time to talk.

Music loud and women warm, I've been kicked around

since I was born.

And now it's all right. It's OK.

And you may look the other way.

We can try to understand

the New York Times' effect on man.

Whether you're a brother or whether you're a mother,

you're stayin' alive, stayin' alive.

Feel the city breakin' and everybody shakin',

and we're stayin' alive, stayin' alive.

Ah, ha, ha, ha, stayin' alive, stayin' alive.

Ah, ha, ha, ha, stayin' alive.

Well now, I get low and I get high,

and if I can't get either, I really try.

Got the wings of heaven on my shoes.

I'm a dancin' man and I just can't lose.

You know it's all right. It's OK.

I'll live to see another day.

We can try to understand

the New York Times' effect on man.

Whether you're a brother or whether you're a mother,

you're stayin' alive, stayin' alive.

Feel the city breakin' and everybody

shakin',

and we're stayin' alive, stayin' alive.

Ah, ha, ha, ha, stayin' alive, stayin' alive.

Ah, ha, ha, ha, stayin' alive.

Life goin' nowhere. Somebody help me.

Somebody help me, yeah.

Life goin' nowhere. Somebody help me.

Somebody help me, yeah. Stayin' alive.

Well, you can tell by the way I use my walk,

I'm a woman's man: no time to talk.

Music loud and women warm,

I've been kicked around since I was born.

And now it's all right. It's OK.

I'm stayin' alive.

Santeria

I don't practice Santeria
I ain't got no crystal ball
Well I had a million dollars but I
I'd spend it all
If I could find that heina
And that Sancho that she'd found
Well I'd pop a cap in Sancho
And I'd slap her down
What I really wanna know, my baby
Oh, what I really wanna say, I can't
define
Well it's love that I need, oh
My soul will have to wait till I get back
Find a heina of my own
Daddy's gonna love one an' all
I feel the break, feel the break, feel
the break
And I gotta live it out, oh yeah
Well I swear that I
What I really wanna know, my baby
What I really wanna say, I can't define
Got love, make it go, oh
My soul will have to
Oh, what I really wanna say, my baby
What I really wanna say, is I've got
mine
And I'll make it
Yes, I'm goin' up
Tell Sanchito that if he knows
What is good for him
He best go run an' hide
Daddy's got a new forty-five
And I won't think twice to stick that
barrel
Straight down Sancho's throat

Believe me when I say that
I got something for his punk ass
What I really wanna know, my baby
Oh, what I really wanna say
Is there's just one way back?
And I'll make it, yaa
My soul will have to wait

The-Middle

Hey, don't write yourself off yet
It's only in your head you feel left
out or looked down on
Just try your best, try everything you
can
And don't you worry what they tell
themselves when you're away
It just takes some time
Little girl you're in the middle of the
ride
Everything, everything will be just
fine
Everything, everything will be alright,
alright
Hey, you know they're all the same
You know you're doing better on your
own, so don't buy in
Live right now, yeah, just be yourself
It doesn't matter if it's good enough
for someone else
It just takes some time
Little girl you're in the middle of the
ride
Everything, everything will be just
fine
Everything, everything will be alright,
alright
It just takes some time
Little girl you're in the middle of the
ride
Everything, everything will be just
fine
Everything, everything will be alright,
alright
Hey, don't write yourself off yet

It's only in your head you feel left
out or looked down on
Just do your best, do everything you
can
And don't you worry what the bitter
hearts are gonna say
It just takes some time
Little girl you're in the middle of the
ride
Everything, everything will be just
fine
Everything, everything will be alright,
alright
It just takes some time
Little girl you're in the middle of the
ride
Everything, everything will be just
fine
Everything, everything will be alright,
alright

Locked-Out-Of-Heaven

One, two, one, two, three

Oh yeah yeah

Oh yeah yeah yeah

Ooh!

Oh yeah yeah

Oh yeah yeah yeah

Ooh!

Never had much faith in love or miracles

Never wanna put my heart on deny

But swimming in your world is something spiritual

I'm born again every time you spend the night

Cause your sex takes me to paradise

Yeah your sex takes me to paradise

And it shows, yeah, yeah, yeah

Cause you make feel like,

I've been locked out of heaven

For too long, for too long

Yeah you make feel like,

I've been locked out of heaven

For too long, for too long

Oh yeah yeah yeah

Ooh!

Oh yeah yeah

Oh yeah yeah yeah

Ooh!

You bring me to my knees

You make me testify

You can make a sinner change his ways

Open up your gates cause I can't wait to see the light

And right there is where I wanna stay

Cause your sex takes me to paradise

Yeah your sex takes me to paradise

And it shows, yeah, yeah, yeah

Cause you make feel like,

I've been locked out of heaven

For too long, for too long

Yeah you make feel like,

I've been locked out of heaven

For too long, for too long

Oh oh oh oh, yeah, yeah, yeah

Can I just stay here

Spend the rest of my days here

Oh oh oh oh, yeah, yeah, yeah

Can't I just stay here

Spend the rest of my days here

Cause you make feel like,

I've been locked out of heaven

For too long, for too long

Yeah you make feel like,

I've been locked out of heaven

For too long, for too long

Oh yeah yeah yeah

Ooh!

Oh yeah yeah

Oh yeah yeah yeah

Valerie

Well, sometimes I go out by myself
And I look across the water
And I think of all the things of what
you're doing

In my head I paint a picture
Since I've come home
Well, my body's been a mess
And I miss your ginger hair
And the way you like to dress
Oh, won't you come on over?
Stop making a fool out of me
Why don't you come on over, Valerie?

Valerie

Did you have to go to jail?
Put your house out up for sale?
Did you get a good lawyer?
I hope you didn't catch a tan,
Hope you find the right man
Who'll fix it for you
Are you shopping anywhere?
Change the color of your hair
And are you busy?
Did you have to pay that fine
That you were dodging all the time?
Are you still dizzy?

Since I've come home
Well, my body's been a mess
And I miss your ginger hair
And the way you like to dress
Oh, won't you come on over?
Stop making a fool out of me
Why don't you come on over, Valerie?
Valerie

Well, sometimes I go out by myself
And I look across the water

And I think of all the things of what
you're doing

In my head I paint a picture
Since I've come home
Well, my body's been a mess
And I miss your ginger hair
And the way you like to dress
Oh, won't you come on over?
Stop making a fool out of me
Why don't you come on over, Valerie?
Valerie
Why don't you come on over, Valerie?

Hard-To-Handle

Baby, here I am
I'm the man on the scene
I can give you what you want
But you gotta' come home with me
I have got some good old lovin'
And I got some more in store
When I get through throwin' it on you
You gotta' come back for more
Boys and things that come by the dozen
That ain't nothin' but drugstore lovin'
Hey little thing, let me light your candle
'Cause Mama, I'm sure hard to handle
Now gets around
Action speaks louder than words
And I'm a man of great experience
I know you've got another man
But I can love you better than him
Take my hand don't be afraid
I'm gonna prove every word I say
I'm advertising love for free
So you can place your ad with me
Boys come along a dime by the dozen
That ain't nothin' but ten cent lovin'
Hey little thing, let me light your candle
'Cause Mama I'm sure hard to handle
Now gets around
Yea
Hard to handle, now
Oh baby
Baby, here I am
I'm the man on your scene

I can give you what you want
But you gotta' come home with me
I have got some good old lovin'
And I got some more in store
When I get through throwin' it on you
You gotta' come runnin' back for more
Boys and things that come by the dozen
That ain't nothin' but drugstore lovin'
Hey little thing, let me light your candle
'Cause Mama, I'm sure hard to handle
Now gets around
Hard
Hard to handle now
Oh yea yea yea
Boys come along a dime by the dozen
That ain't nothin' but ten cent lovin'
Hey little thing, let me light your candle
'Cause Mama, I'm sure hard to handle
Now gets around
Yea
Oh hard to handle now
Oh yea
Baby, good lovin'
Baby baby
Oh, oh good lovin'
I need good lovin'
I got to handle oh yea
Haa hard yea
Aaa

Exs-And-Ohs

Well, I had me a boy, turned him into
a man

I showed him all the things that he
didn't understand

Whoa, and then I let him go

Now, there's one in California who's
been cursing my name

'Cause I found me a better lover in
the UK

Hey, hey, until I made my getaway

One, two, three, they gonna run back
to me

'Cause I'm the best baby that they
never gotta keep

One, two, three, they gonna run back
to me

They always wanna come, but they
never wanna leave

Ex's and the oh, oh, oh's they haunt
me

Like ghoo-oo-oo they want me to
make 'em all

They won't let go

Ex's and oh's

I had a summer lover down in New
Orleans

Kept him warm in the winter, left him
frozen in the spring

My, my, how the seasons go by

I get high, and I love to get low

So the hearts keep breaking, and the
heads just roll

You know that's how the story goes

One, two, three, they gonna run back
to me

'Cause I'm the best baby that they
never gotta keep

One, two, three, they gonna run back
to me

They always wanna come, but they
never wanna leave

Ex's and the oh, oh, oh's they haunt
me

Like ghoo-oo-oo they want me to
make 'em all

They won't let go

My ex's and the oh, oh, oh's they
haunt me

Like ghoo-oo-oo they want me to
make 'em all

They won't let go

Ex's and oh's

One, two, three, they gonna run back
to me

Climbing over mountains and a-
sailing over seas

One, two, three, they gonna run back
to me

They always wanna come, but they
never wanna leave

My ex's and the oh, oh, oh's they
haunt me

Like ghoo-oo-oo they want me to
make 'em all

They won't let go

Ex's and the oh, oh, oh's they
haunt me

Like ghoo-oo-oo they want me to
make 'em all

They won't let go

Ex's and oh's

Faith

Well I guess it would be nice
If I could touch your body
I know not everybody
Has got a body like you
But I've got to think twice
Before I give my heart away
And I know all the games you play
Because I play them too
Oh but I
Need some time off
From that emotion
Time to pick my heart up off the floor
Oh, and that love comes down
Without devotion
Well it takes a strong man baby
But I'm showing you the door
Because I gotta have faith
I gotta have faith
Because I got to have faith, faith
I gotta have faith, faith, faith
Baby
I know you're asking me to stay
Sayin' please, please, please, don't
go away
You say I'm giving you the blues
Maybe
You mean every word you say
Can't help but think of yesterday
And another who tied me down to
lover boy rules
Before this river
Becomes an ocean
Before you throw my heart back
On the floor
Oh, baby I reconsider

My foolish notion
Well I need someone to hold me
But I'll wait for something more
Yes I've gotta have faith
I gotta have faith
Because I got to have faith, faith,
faith
I gotta have faith, faith, faith
Because I got to have faith
Oh yeah, faith
Got to have faith
Before this river
Becomes an ocean
Before you throw my heart back
On the floor
Oh, baby I reconsider
My foolish notion
Well I need someone to hold me
But I'll wait for something more
Because I gotta have faith
I gotta have faith
Because I got to have faith, faith,
faith
I gotta have faith, faith, faith

What-I-Got

Early in the mornin', risin' to the street

Light me up that cigarette and I'll strap shoes on my feet

Got to find the reason, reason things went wrong

Got to find the reason why my money's all gone

I got a Dalmatian, I can still get high

I can play the guitar like a mother-fuckin' riot

Life is too short, so love the one you got

'Cause you might get run over or you might get shot

Never startle static I just get it off my chest

Never had to battle with my bullet-proof vest

Take a small example, take a tip from me

Take all of your money, give it all to charity

Life is what I got it's within my reach

And the sublime style is just straight from long beach

It all comes back to you, you finally get what you deserve

Try and test that, you're bound to get served

Love's what I got, don't start a riot

You'll feel it when the dance gets hot

Lovin' is what I got, I said, "Remember that"

Lovin' is what I got, and remember

that

Lovin' is what I got, I said, "Remember that"

Lovin' is what I got, I got, I got, I got

I don't cry when my dog runs away

I don't get angry at the bills I have to pay

I don't get angry when my Mom smokes pot

Hits the bottle and moves right to the rock

Fuck it or fight it, it's all the same

Livin' with Louie dog's the only way to stay sane

Let the lovin', let the lovin' come back to me

'Cause lovin' is what I got, I said, "Remember that"

Lovin' is what I got, and remember that

Lovin' is what I got, I said, "Remember that"

Lovin' is what I got, I got, I got, I got

So that's it

See you then

In-The-Midnight-Hour

I'm gonna wait 'till the midnight hour
That's when my love come tumbling
down

I'm gonna wait 'till the midnight hour
When there's no one else around
I'm gonna take you, girl, and hold you
And do all things I told you, in the
midnight hour

Yes I am, oh yes I am

One thing I just wanna say, right here
I'm gonna wait till the stars come out
And see that twinkle in your eyes

I'm gonna wait 'till the midnight hour
That's when my love begins to shine
You're the only girl I know

Can really love me so, in the midnight
hour

Oh yeah, in the midnight hour
Yeah, all right, play it for me one time,
now

I'm gonna wait 'till the midnight hour
That's when my love come tumbling
down

I'm gonna wait, way in the midnight
hour

That's when my love begin to shine,
just you and I

Oh, baby, just you and I

Nobody around, baby, just you and I

Oh, right, you know what?

I'm gonna hold you in my arms, just
you and I

Oh yeah, in the midnight hour

Oh, baby, in the midnight hour

Lets-Get-It-On

I've been really tryin', baby
Tryin' to hold back this feeling for so long
And if you feel like I feel, baby
Then, c'mon, oh, c'mon
Let's get it on
Ah, baby, let's get it on
Let's love, baby
Let's get it on, sugar
Let's get it on
We're all sensitive people
With so much to give
Understand me, sugar
Since we've got to be here
Let's live
I love you
There's nothing wrong with me
Loving you, baby no no
And giving yourself to me can never be wrong
If the love is true
Don't you know how sweet and wonderful life can be
I'm asking you baby to get it on with me
I ain't gonna worry
I ain't gonna push, won't push you baby
So c'mon, c'mon, c'mon, c'mon, c'mon, baby
Stop beatin' 'round the bush
Let's get it on
Let's get it on
You know what I'm talkin' 'bout
C'mon, baby

Let your love come out
If you believe in love
Let's get it on
Let's get it on, baby
This minute, oh yeah
Let's get it on
Please, let's get it on
C'mon, c'mon, c'mon, c'mon, c'mon, darlin'
Stop beatin' 'round the bush
Oh, gonna get it on
Threaten' you, baby
I wanna get it on
You don't have to worry that it's wrong
If the spirit moves ya
Let me groove ya good
Let your love come down
Oh, get it on
C'mon, baby
Do you know the meaning?
I've been sanctified
Girl, you give me good feeling
I've been sanctified

Mercy

Hit the beat and take it to the verse

But I gotta stay true

My morals got me on my knees

Cause you got me good

Just like you knew you would

I don't know what you do

But you do it well

I'm under your spell

You got me

Begging you for mercy

Why won't you release me

You got me

Begging you for mercy

Why won't you release me

I said release me

Now you think that I

Will be something on the side

But you got to understand that I need
a man

Who can take my hand

Yes, I do

I don't know what this is

But you got me good

Just like you knew you would

I don't know what you do

But you do it well

I'm under your spell

You got me

Begging you for mercy

Why won't you release me

You got me

Begging you for mercy

Why won't you release me

I said you'd better

Release yeah, yeah, yeah

Kiss

You don't have to be beautiful to
turn me on

I just need your body, baby, from
dusk till dawn

You don't need experience to turn
me out

You just leave it all up to me, I'm
gonna show you what it's all about

You don't have to be rich to be my
girl

You don't have to be cool to rule my
world

Ain't no particular sign I'm more
compatible with

I just want your extra time and your
kiss

You got to not talk dirty, baby, if you
wanna impress me

You can't be too flirty, mama, I know
how to undress me, yeah

I want to be your fantasy, maybe you
could be mine

You just leave it all up to me, we
could have a good time

You don't have to be rich to be my
girl

You don't have to be cool to rule my
world

Ain't no particular sign I'm more
compatible with

I just want your extra time and your
kiss

Yes, oh, I think I wanna dance, uh

Gotta, gotta, oh

Little Girl Wendy's Parade

Gotta, gotta, gotta

Women, not girls, rule my world, I
said they rule my world

Act your age, mama, not your shoe
size, maybe we could do the twirl

(Not your shoe size)

You don't have to watch Dynasty to
have an attitude, uh

You just leave it all up to me, my love
will be your food, yeah

You don't have to be rich to be my
girl

You don't have to be cool to rule my
world

Ain't no particular sign I'm compati-
ble with!

I just want your extra time and your
kiss

Play-That-Funky-Music

Hey... do it now

Yeah hey

Hey once I was a boogie singer playin'
in a rock and roll band

I never had no problems yeah burnin'
down one night stands

And everything around me yeah

Got to stop to feelin' so low

And I decided quickly yes I did

To disco down and check out the
show

Yeah they was dancin' and singin'
and movin' to the groovin'

And just when it hit me somebody
turned around and shouted

Play that funky music white boy

Play that funky music right

Play that funky music white boy

Lay down the boogie and play that
funky music till you die

Hee-hee

Till you die (yeah)

Yeah-yeah

Well I tried to understand this (yeah)
hey

I thought that they were out of their
minds huh

How could I be so foolish?

How could I?

To not see I was be one behind

So still I kept on fighting

Well losin' every step of the way
(what you do?)

I said I must go back there I got to go
back

And check to see if things still the
same

Yeah they was dancin' and singin'
and movin' to the groovin'

And just when it hit me somebody
turned around and shouted

Play that funky music white boy

Play that funky music right

Play that funky music white boy

Lay down the boogie and play that
funky music till you die hey

Till you die (yeah)

Oh till you die

Come on play some electified funky
music

Hey wait a minute

Now first it wasn't easy changin' rock
and roll and minds

And things were gettin' shaky (yeah)

I thought I'd have to leave it behind

Oh but now it's so much better it's so
much better

I'm funklin' out in every way

But I'll never lose that feelin' no I
won't

Of how I learned my lesson that day

When they were dancin' and singin'
and movin' to the groovin'

And just when it hit me somebody
turned around and shouted

Play that funky music white boy

Play that funky music right

Play that funky music white boy

Lay down the boogie and play that
funky music till you die hey

Till you die (yeah)

Oh' till you die... yeah

(come on) They shouted play that
funky music

Play that funky music

(play that funky music)

You gotta keep on playin' funky mu-
sic

(play that funky music)

Play that funky music

(play that funky music)

Wanna take you higher y'all

(play that funky music)

White boy

(play that funky music)

Right yeah

(play that funky music)

White boy

(play that funky music)

Right yeah

(play that funky music)

White boy

(play that funky music)

Right yeah

Uptown-Funk

This shit, that ice cold
Michelle Pfeiffer, that white gold
This one for them hood girls
Them good girls straight master-
pieces
Stylin', while in
Livin' it up in the city
Got Chucks on with Saint Laurent
Gotta kiss myself i'm so pretty
I'm too hot (hot damn)
Called a police and a fireman
I'm too hot (hot damn)
Make a dragon wanna retire man
I'm too hot (hot damn)
Say my name, you know who I am
I'm too hot (hot damn)
Am I bad 'bout that money?
Break it down
Girls hit your hallelujah (whoa)
Girls hit your hallelujah (whoa)
Girls hit your hallelujah (whoa)
'Cause uptown funk gon' give it to
you
'Cause uptown funk gon' give it to

Don't believe me, just watch
Don't believe me, just watch

Hey, hey, hey, oh
Stop, wait a minute
Fill my cup, put some liquor in it
Take a sip, sign a check
Julio, get the stretch
Ride to Harlem, Hollywood, Jackson,
Mississippi
If we show up, we gon' show out
Smoother than a fresh jar of Skippy
I'm too hot (hot damn)
Called a police and a fireman
I'm too hot (hot damn)
Make a dragon wanna retire man
I'm too hot (hot damn)
Bitch say my name you know who I
am
I'm too hot (hot damn)
Am I bad 'bout that money?
Break it down
Girls hit your hallelujah (whoa)
Girls hit your hallelujah (whoa)
Girls hit your hallelujah (whoa)
'Cause uptown funk gon' give it to
you
'Cause uptown funk gon' give it to
you
'Cause uptown funk gon' give it to

Brick-House

She's a brick house
She's mighty mighty
Just lettin' it all hang out
And she's a brick house
And like lady's stacked, that's a fact
Ain't holding nothing back
She's a brick house
Well we're together everybody knows
This is how the story goes
She knows she's got everything
That a woman needs to get a man,
yeah yeah
How can she lose with what she use
36-24-36, what a winning hand
For she's a brick house
She's mighty mighty
And just lettin' it all hang out
And she's a brick house
Like lady's stacked, that's a fact
Ain't holding nothing back
She's a brick house
Yeah she's the one, the only one
Built like a amazon
The clothes she wears her sexy ways
Make an old man wish for younger
days, yeah yeah
She knows she's built and knows how
to please
Sure enough to knock a stone man
to his knees
For she's a brick house
Yeah she's mighty mighty
Just lettin' it all hang out, brick house
Like lady's stacked and that's a fact
Ain't holding nothing back

Shake it down, shake it down now
Shake it down, shake it down now
Shake it down, shake it down now
Shake it down, shake it down down
Shake it down, shake it down now
Shake it down, shake it down now
Shake it down, shake it down now
Shake it down
Brick house
Yeah she's mighty might
Just lettin' it all hang out
Brick house
Yeah she's the one, the only one
Built like a amazon yeah
Shake it down, shake it down, shake
it down now
Shake it down, shake it down, shake
it down now
Shake it down, shake it down, shake
it down now
Shake it down, shake it down, shake
it, shake it
Shake it down, shake it down, shake
it down now
Shake it down, shake it down, shake
it down now
Shake it down, shake it down, shake
it down now
Shake it down, shake it down, shake
it
Brick house

Love-Shack

If you see a faded sign at the side of
the road that says

'15 miles to the love shack', love
shack, yeah, yeah

I'm headin' down the Atlanta high-
way

Lookin' for the love getaway, heading
for the love getaway

I got me a car, it's as big as a whale
And we're headin' on down to the
love shack

I got me a Chrysler, it seats about 20
So hurry up and bring your jukebox
money

The love shack is a little old place
Where we can get together

Love shack, baby
(A love shack, baby)

Love shack, baby, love shack

Love shack, baby, love shack

Love shack, baby, love shack

(Love baby, that's where it's at)

Love shack, baby, love shack

(Love baby, that's where it's at)

Sign says, 'Stay away fools

'Cause love rules at the love shack'

Well, it's set way back in the middle
of a field

Just a funky old shack and I gotta get
back

Glitter on the mattress

Glitter on the highway

Glitter on the front porch

Glitter on the highway

The love shack is a little old place

Where we can get together

Love shack, baby
(Love shack baby!)

Love shack, that's where it's at

Love shack, that's where it's at

Huggin' and a kissin', dancin' and a
lovin'

Wearin' next to nothing, 'cause it's
hot as an oven

The whole shack shimmies

Yeah, the whole shack shimmies

The whole shack shimmies

When everybody's movin' around

And around and around and around

Everybody's movin', everybody's
groovin', baby

Folks linin' up outside just to get
down

Everybody's movin', everybody's
groovin', baby

Funky little shack, funky little shack

Hop in my Chrysler, it's as big as a
whale

And it's about to set sail

I got me a car, it seats about twenty

So come on and bring your jukebox
money

The love shack is a little old place

Where we can get together

Love shack, baby
(A love shack, baby)

Love shack, baby, love shack

Love shack, baby, love shack

Love shack, baby, love shack

(Love baby, that's where it's at, yeah)

Love shack, baby, love shack

(Love baby, that's where it's at)

Bang, bang, bang, on the door, baby
(Knock a little louder baby)
Bang bang bang, on the door, baby
(I can't hear you)
Bang bang bang, on the door, baby
(Knock a little louder sugar)
Bang bang bang, on the door, baby
(I can't hear you)
Bang, bang, bang, on the door, baby
(Knock a little louder)
Bang, bang, bang, on the door, baby
Bang, bang
(On the door, baby!)
Bang, bang
(On the door!)
Bang, bang
(On the door, baby!)
Bang, bang, you're what!?
Tin roof, rusted
Love shack, baby, love shack
Love shack, baby, love shack
(Love baby that's where it's at, yeah)
Love shack, baby, love shack
(Love baby, that's where it's at)
Love shack, baby love shack
(Huggin' and a kissin')
(Dancin' and a lovin' at the love
shack)

Thats-The-Way

Emily comes home from school
grabs onto her daddy's hand
he says "baby girl what's wrong with
you?"

she says "please don't make me go
back there again"

She said "I wish there was some way
to make them stop it"

so he drives down to
that principles office and says

"I didn't bring her up

so they could cut her down

I didn't bring her here

so they could shut her out

I live my whole damn life

to see that little girl smile

so why are tears pouring down

that sweet face?

she wasn't brought up that way"

Emily's home late again

he sees that boy drive away

oh but something different this time

she doesn't have too much to say

she said "he tried but

there's just some things I won't do"

and through the tears

she said "I couldn't do that to you"

and he said

"I didn't bring you up

so he could wear

you down

take that innocent heart

and turn it inside out

I live my whole damn life

to see my little girl's smile

so don't let nobody take that away
you werny brought up that way"

The phone ring on a rainy night

says "it's officer tate"

he said "sir there's been an accident

you better come down here right
away

a drunken driver missed an over pass
and emily, she's fading fast"

he says "god, I didn't bring her up
to watch them lay her down

nearly killed me today

they put her own

momma in the ground

only thing that ket me alive

was that little girl's smile

so please don't take that away

I won't be easy taking her today

she wasn't brought up that way"

He stands over the hospital bed

Emily opens her eyes

Shake-Shake-Shake

Everybody, get on the floor, let's dance

Don't fight your feelings, give yourself a chance

Shake shake shake, shake shake shake

Shake your booty, shake your booty

Oh, shake shake shake, shake shake shake

Shake your booty, shake your booty

You can, you can do it very well

You're the best in the world, I can tell

Oh, shake shake shake, shake shake shake

Shake your booty, shake your booty

Oh, shake shake shake, shake shake shake

Shake your booty, shake your booty

Shake shake, shake shake

Shake shake, shake shake

Shake shake shake, shake shake shake

Shake your booty, shake your booty

Oh, shake shake shake, shake shake shake

Shake your booty, shake your booty

Shake shake, shake shake, shake your booty

Don't fight the feeling

Shake shake, shake shake, shake your booty

Give yourself a chance

Shake shake, shake shake, shake your booty

You can do it, do it

Shake shake, shake shake, shake your booty

Come home with momma now

Shake shake, shake shake, shake your booty

Shake shake, shake shake, shake your booty

Run down to sister

Shake shake, come on

Shake shake, come on

Your booty, do your duty

Shake shake, come on

Shake shake, come on

Get-Lucky

Like the legend of the phoenix
All ends with beginnings
What keeps the planet spinning
The force from the beginning
(Look)
We've come too far to give up who
we are
So let's raise the bar and our cups to
the stars
She's up all night till the sun
I'm up all night to get some
She's up all night for good fun
I'm up all night to get lucky
We're up all night till the sun
We're up all night to get some
We're up all night for good fun
We're up all night to get lucky
We're up all night to get lucky
We're up all night to get lucky
We're up all night to get lucky
We're up all night to get lucky
The present has no rhythm
Your gift keeps on giving
What is this I'm feeling?
If you wanna leave I'm with it
We've come too far to give up who
we are
So let's raise the bar and our cups to
the stars
She's up all night till the sun
I'm up all night to get some
She's up all night for good fun
I'm up all night to get lucky
We're up all night till the sun
We're up all night to get some

We're up all night for good fun
We're up all night to get lucky
We're up all night to get lucky
We're up all night to get lucky
We're up all night to get lucky
We're up all night to get lucky
We're up all night to get
We're up all night to get
We're up all night to get
We're up all night to get
We're up all night to get (together)
We're up all night to get (let's get
funked again)
We're up all night to get funky
We're up all night to get lucky
We're up all night to get lucky
We're up all night to get lucky
We're up all night to get lucky
We're up all night to get lucky
We're up all night to get lucky
We're up all night to get lucky
We're up all night to get lucky
We're up all night to get lucky
We've come too far to give up who
we are
So let's raise the bar and our cups to
the stars
She's up all night till the sun
I'm up all night to get some
She's up all night for good fun
I'm up all night to get lucky
We're up all night till the sun
We're up all night to get some
We're up all night for good fun
We're up all night to get lucky
We're up all night to get lucky
We're up all night to get lucky

We're up all night to get lucky
We're up all night to get lucky
We're up all night to get lucky
We're up all night to get lucky
We're up all night to get lucky
We're up all night to get lucky

Superstition

Folsom-Prison-Blues

I hear the train a comin' it's rollin'
'round the bend
And I ain't seen the sunshine since I
don't know when
I'm stuck at Folsom Prison and time
keeps draggin' on
But that train keeps rollin' on down
to San Antone
When I was just a baby, my mama
told me
"Son always be a good boy, don't
ever play with guns"
But I shot a man in Reno, just to
watch him die
When I hear that whistle blowin' I
hang my head and cry
I bet there's rich folk eatin' from a
fancy dinin' car
They're prob'ly drinkin' coffee and
smokin' big cigars
Well I know I had it comin', I know I
can't be free
But those people keep a movin', and
that's what tortures me
Well, if they freed me from this
prison, if that railroad train was
mine
I bet I'd move it a little farther down
the line
Far from Folsom Prison, that's where
I want to stay
And I'd let that lonesome whistle
blow my blues away

Rebel-Yell

Last night a little dancer
came dancing to my door
Last night a little angel
came pumping on the floor
She said, come on baby
You got a license for love
And if it expires
pray help from above, because
in the midnight hour
she cried more, more, more
With a rebel yell
she cried more, more, more
In the midnight hour, babe
more, more, more
With a rebel yell
more, more, more, more, more, more
She don't like slavery
she won't sit and beg
But when I'm tired and lonely
she sees me to bed
What set you free
and brought you to me, babe
What set you free
I need you here by me
because
In the midnight hour
she cried more, more, more
With a rebel yell
she cried more, more, more
In the midnight hour, babe
more, more, more
With a rebel yell
more, more, more
He lives in his own Heaven
Collects it to go from the seven

eleven
Well he's out all night to collect a
fare
Just so long, just so long it don't
mess up his hair
I walked the ward
for you, babe
A thousand miles
for you
I dried your tears
of pain, babe
A million times for you
I'd sell my soul
for you, babe
For money to burn
with you
I'd give you all
and have none, babe
Just to, just to, just to
just to have you here by me, because
In the midnight hour, she cried more,
more, more
With a rebel yell
she cried more, more, more
In the midnight hour babe
more, more, more
With a rebel yellm she cried
more, more, more, more, more, more
Oh yeah, little baby
She wants more
more, more, more, more, more
Oh yeah, little angel
She wants more
more, more, more, more, more!

Purple-Rain

I never meant 2 cause U any sorrow
I never meant 2 cause U any pain
I only wanted one time 2 see U laugh-
ing
I only want 2 see U laughing in the
purple rain
Purple rain Purple rain
Purple rain Purple rain
Purple rain Purple rain
I only want 2 see U bathing in the
purple rain
I never wanted 2 be your weekend
lover
I only wanted 2 be some kind of
friend
Baby I could never steal U from an-
other
It's such a shame our friendship had
2 end
Purple rain Purple rain
Purple rain Purple rain
Purple rain Purple rain
I only want 2 see U underneath the
purple rain
Honey I know, I know, I know times
are changing
It's time we all reach out for some-
thing new
That means U 2
U say U want a leader
But U can't seem to make up your
mind
I think you better close it
And let me guide U 2 the purple rain
Purple rain Purple rain

Purple rain Purple rain
If you know what I'm singing about
up here
C'mon raise your hand
Purple rain Purple rain
I only want 2 see U, only want 2 see
U
In the purple rain

You-Shook-Me-All-Night-Long

She was a fast machine
She kept her motor clean
She was the best damn woman I had ever seen
She had the sightless eyes
Telling me no lies
Knockin' me out with those American thighs
Taking more than her share
Had me fighting for air
She told me to come but I was already there
'Cause the walls start shaking
The earth was quaking
My mind was aching
And we were making it and you -
CHORUS:
Shook me all night long
Yeah you shook me all night long
Working double time
On the seduction line
She was one of a kind, she's just mine all mine
She wanted no applause
Just another course
Made a meal out of me and came back for more
Had to cool me down
To take another round
Now I'm back in the ring to take another swing
'Cause the walls were shaking
The earth was quaking
My mind was aching

And we were making it and you -
CHORUS
And knocked me out and then you
Shook me all night long
You had me shakin' and you
Shook me all night long
Yeah you shook me
Well you took me
You really took me and you
Shook me all night long
Ooooh you
Shook me all night long
Yeah, yeah, you
Shook me all night long
Your really took me and you
Yeah you shook me, yeah you shook me
All night long
