# Stayin'-Alive

## Intro Drums 2x

### Verse 4x

Well, you can tell by the way I use my walk,  
I'm a woman's man: no time to talk.  
Music loud and women warm, I've been  
kicked around  
since I was born.

### Pre-chorus 4x

And now it's all right. It's OK.  
And you may look the other way.  
We can try to understand  
the New York Times' effect on man.

### Chorus 8x

Whether you're a brother or whether  
you're a mother,  
you're stayin' alive, stayin' alive.  
Feel the city breakin' and everybody  
shakin',  
and we're stayin' alive, stayin' alive.  
Ah, ha, ha, ha, stayin' alive, stayin' alive.  
Ah, ha, ha, ha, stayin' alive.

### Verse 4x

Well now, I get low and I get high,  
and if I can't get either, I really try.  
Got the wings of heaven on my shoes.  
I'm a dancin' man and I just can't lose.

### Pre-chorus 8x

You know it's all right. It's OK.  
I'll live to see another day.  
We can try to understand  
the New York Times' effect on man.

### Chorus 8x

Whether you're a brother or whether  
you're a mother,

you're stayin' alive, stayin' alive.  
Feel the city breakin' and everybody  
shakin',  
and we're stayin' alive, stayin' alive.  
Ah, ha, ha, ha, stayin' alive, stayin' alive.  
Ah, ha, ha, ha, stayin' alive.

Well I guess it would be nice  
If I could touch your body

But I've got to think twice  
Before I give my heart away  
And I know all the games you play  
Because I play them too

## Pre-chorus 8x

Oh but I  
Need some time off  
From that emotion  
Time to pick my heart up off the floor  
Oh, and that love comes down  
Without devotion  
Well it takes a strong man baby  
But I'm showing you the door

# What-I-Got

## Intro 2x

## Verse 16x

Early in the mornin', risin' to the street  
Light me up that cigarette and I'll strap  
shoes on my feet

Got to find the reason, reason things went  
wrong

Got to find the reason why my money's all  
gone

I got a Dalmatian, I can still get high  
I can play the guitar like a motherfuckin'  
riot ...

## Verse 12x

Life is too short, so love the one you got  
'Cause you might get run over or you might  
get shot

Never startle static I just get it off my chest  
Never had to battle with my bulletproof  
vest

Take a small example, take a tip from me  
Take all of your money, give it all to charity  
Life is what I got it's within my reach  
And the sublime style is just straight from  
long beach

It all comes back to you, you finally get  
what you deserve

Try and test that, you're bound to get  
served

Love's what I got, don't start a riot  
You'll feel it when the dance gets hot

## Chorus 8x

Lovin' is what I got, I said, "Remember  
that"

### Drums 8x

### Bridge 32x

I walked the ward  
for you, babe  
A thousand miles  
for you  
I dried your tears  
of pain, babe  
A million times for you  
I'd sell my soul  
for you, babe  
For money to burn  
with you  
I'd give you all  
and have none, babe  
Just to, just to, just to  
just to have you here by me, because

### Chorus 16x

# You-Shook-Me-All-Night-Long

## Intro 8x

## Guitar 8x

## Verse 16x

She was a fast machine  
She kept her motor clean  
She was the best damn woman I had ever seen

She had the sightless eyes  
Telling me no lies  
Knockin' me out with those American thighs

Taking more than her share  
Had me fighting for air  
She told me to come but I was already there

'Cause the walls start shaking  
The earth was quaking  
My mind was aching  
And we were making it, and you ..

## Chorus 8x

Shook me all night long  
Yeah you shook me all night long

## Verse 16x

Working double time  
On the seduction line  
She was one of a kind, she's just mine all mine

She wanted no applause  
Just another course  
Made a meal out of me and came back for more

Had to cool me down  
To take another round

Now I'm back in the ring to take another swing

'Cause the walls were shaking  
The earth was quaking  
My mind was aching  
And we were making it and you ..

## Chorus 8x

.. (ya knocked me out, I said you)  
..

## Chorus 8x

.. (heaven shakin')  
.. (yeah, ya shook me; well you took me)

## Solo 16x

## Chorus

(you really got me and you)  
Shook Me All Night Long  
Yeah you ... shook Me all night long  
(yeah you shook me, yeah ya shook me, all nite long)

# The-Big-Bang

## Intro 4x

.. Oh, babe

## Verse 8x

I don't wanna lie  
I'm gonna take what you're giving  
'Cause I know you're willing  
To take me all the way

You got me right here  
Impossible  
And I can't wait to finally explode

## Chorus 8x

The Big, Big Bang  
The reason I'm alive  
When all the stars collide  
In this universe inside

The big, big bang  
The big, big bang  
The big, big bang

## Verse 8x

Some people like to talk  
But I'm into doing  
What I feel like doing  
When I'm inspired to

If we take a walk down  
the beach tonight  
I bet that we could light up the sky

## Chorus 8x

The Big, Big Bang  
The reason I'm alive  
When all the stars collide  
In this universe inside

The big, big bang  
The big, big bang  
The big, big bang

## Bridge 10x

.. Take it for me, I don't wanna be mummified  
Sometimes I feel so isolated  
I wanna die and I'll take it from you if you got it every time  
So baby, bring your body here, next to mine  
Next to mine  
Next to mine when I don't wanna dance

## Verse 4x

I just wanna live it  
So baby, let's not miss this thing

## Chorus 8x

The Big, Big Bang  
The reason I'm alive  
When all the stars collide  
In this universe inside
